**Brainstorm & Idea Prioritization Template:**

Brainstorm & Idea Prioritization Template:

Brainstorming sessions offer a collaborative space where team members contribute freely , explore creative ideas, and develop innovative solutions without limitations.

Emphasizing idea quantity over perfection, this process encourages open participation, constructive input, and imaginative thinking.

Use this template to guide your brainstorming sessions, especially in collaborative analytics projects—even when team members are working remotely.

Project Title:

Measuring the Pulse of Prosperity: An Index of Economic Freedom Analysis project

Overview:

In this project, our team of five data analysts set out to explore and visualize the state of economic freedom across countries and over time. Leveraging Tableau dashboards, we aimed to uncover how different components of economic freedom correlate with national prosperity and governance.

Primary Research Questions:

1. How does economic freedom vary across countries and years?
2. Which trends and indicators in the Economic Freedom Index can guide policymakers toward improved economic outcomes?

Task Allocation:

Roles and responsibilities were distributed based on each team member's strengths:

- Data Cleaning & Transformation
- Exploratory Data Analysis
- Visualization Design in Tableau
- Insights Interpretation & Reporting

- Presentation & Documentation

## Step-1: Team Gathering, Collaboration and Select the Problem Statement

### Brainstorm & idea prioritization

Use this template in your own brainstorming sessions so your team can unleash their imagination and start shaping concepts even if you're not sitting in the same room.

#### Define your problem statement

What problem are you trying to solve? Frame your problem as a How Might We statement. This will be the focus of your brainstorm.

5 minutes

**PROBLEM**  
How might we help ToyCraft better understand and improve toy sales performance across regions and time using their interactive Tableau visualizations?

#### Key rules of brainstorming

To run a smooth and productive session

- Stay in topic.
- Encourage wild ideas.
- Defer judgment.
- Listen to others.
- Go for volume.
- If possible, be visual.

## Step-2: Brainstorm, Idea Listing and Grouping

## Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you can break it up into smaller sub-groups.

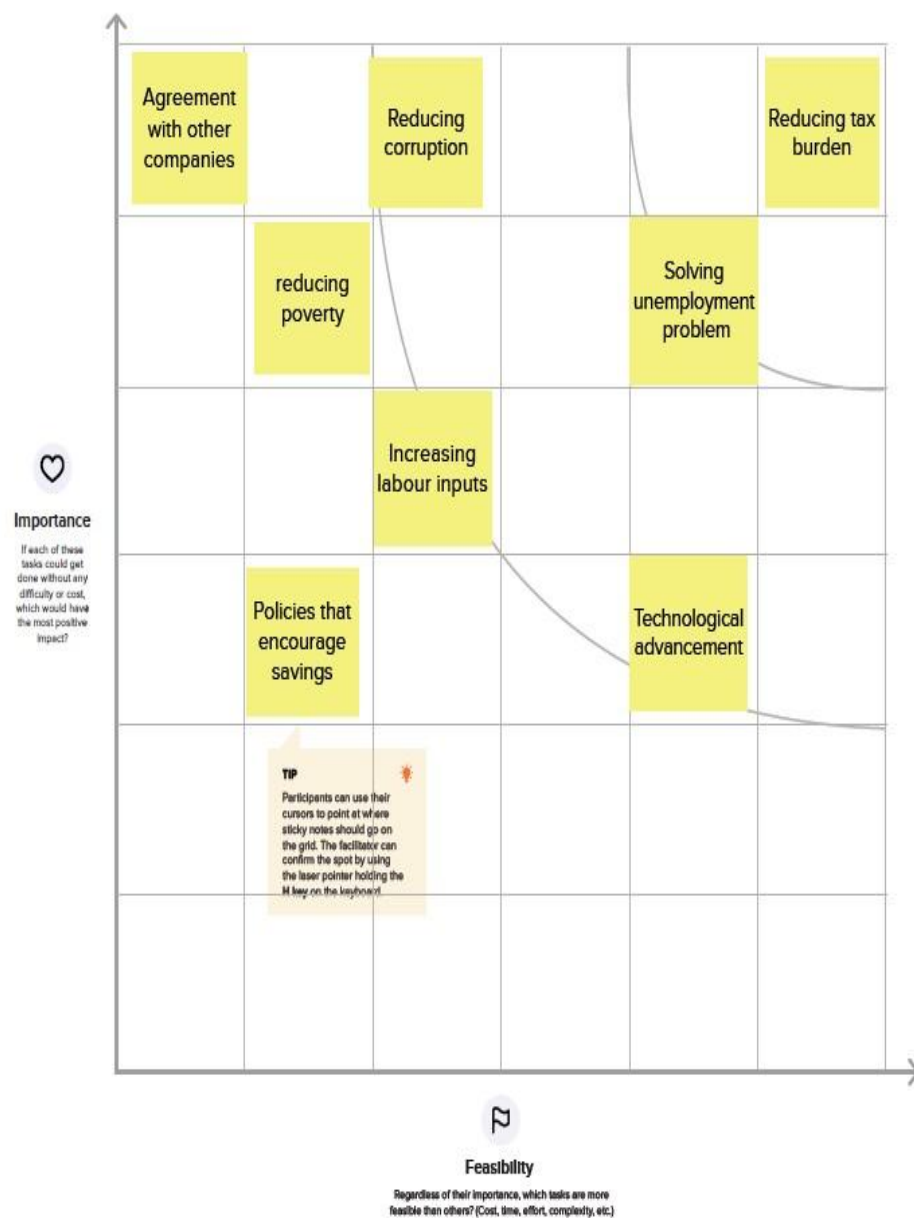

🕒 20 minutes

## Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.
